Author's statement

Dear colleagues, please complete the whole form carefully. Your article cannot be published without submitting the form to the editorial office of the Přehled výzkumů journal.

Manuscript submission, technical requirements and acceptance conditions

Upon submission of this form, the author/authors conclude the agreement with the Institute of Archaeology of the Czech Academy of Sciences, Brno (hereinafter referred to as ARÚB) for the publication of the article in the Přehled výzkumů journal in online and printed form. The author/authors also fully accept the requirements for the publication of the manuscript in the journal. The full instructions concerning the layout of the manuscript can be found on the journal's website: <https://www.arub.cz/en/prehled-vyzkumu/pro-autory/> (Author guidelines).

- The complete manuscript including all pictorial supplements is to be submitted in electronic form and within the date stipulated in the Author guidelines.
- The preferred languages for the publication of articles in Přehled výzkumů are Czech and English. Other languages may be accepted after prior agreement with the editorial office.

Required manuscript structure (see Author guidelines):

- title – in the language of the manuscript and English
- abstract in English, 1400–1800 characters including spaces
- keywords in English
- body of the article – introduction, chapters and sub-chapters (no more than three levels), conclusion
- dedication (optional)
- list of references and other sources
- summary – appropriate to the extent of the study; can be consulted with the editorial office. If the language of the article is English, the summary is provided in Czech. If the study is in a language other than English, the summary must always be in English.
- contact to all authors
- figure, table and graph legends in the language of the article and in English (if the language of the article is English, then in Czech).
- the maximum total extent of the article permitted is 170,000 characters including spaces

Any translation is provided by the author/authors at their own expense (except for ARÚB employees); proofreading by a native speaker is provided by the Přehled výzkumů editorial office at the expense of ARÚB.

The contents, technical condition and completeness of the manuscript are assessed by the editorial office, which if accepted is forwarded for the review procedure. The editorial team will decide on the publication of the manuscript based on an assessment by independent reviewers.

Agreement with terms and conditions

- I hereby confirm agreement with the manuscript submission rules, the technical requirements and the review procedure.
- I hereby confirm that I am the author of the article, state the original sources of the materials used and have secured consent with the publication from the author/authors or copyright owners. I confirm that all datasets used that were compiled by another author are appropriately cited.
- I hereby confirm that I have processed the submitted manuscript in accordance with international ethical and licensing publication standards and that I am fully acquainted with the wording on the Přehled výzkumů website: <https://www.arub.cz/en/prehled-vyzkumu/o-casopisu/#publikacni-etika>, <https://www.arub.cz/en/prehled-vyzkumu/o-casopisu/#licencni-podminky>
- I hereby declare that the manuscript is my original scientific work and that it has never been published.
- I agree that ARÚB, as the publisher of Přehled výzkumu, may publish the manuscript in both printed and electronic online form.
- I confirm that the manuscript has been read and approved by all named authors and that there are no other persons who would meet the criteria of authorship that are not listed. I also confirm that I have approved the order of the authors stated in the manuscript.
- I declare that I have declared all sources of financing.
- I am aware that our contact for the editorial procedure is the corresponding author, who will be responsible for communication with the other authors regarding the progress achieved, the submission of revisions and the final approval of the proofs.
